\$AVE BIG \$ WITH

DISCONTINUED, BLEMS & REFURBISHED PARTS

All items in this group are discontinued, previous year's or non-current models, or remanufactured/refurbished. Some items are "blems", meaning very minor non-functional cosmetic flaws. Some discontinued items are an earlier style and don't exactly match current catalog products in appearance. Occasionally we will have customer returns that have been completely refurbished. All parts function perfectly. A complete description is included with each item.

Supply is limited. Some items we have more than one, others are 1 only. All items are sold on a first come first served basis and are subject to prior sale. This Web site list is updated every few days as parts sell and others become available.

6 month limited warranty PLUS A SATISFACTION GUARANTEE—return unused within 10 days of receipt for a refund (less shipping) if you are not happy. This warranty does not include incidental labor, damage to other parts, or personal injury. No warranty of fitness for a particular application is made due to the nature of auto racing. Warranty does NOT include damage due to misuse, neglect, abuse or modification.

To place an order please refer to the RBCXXX number by the product, give a quick confirming description and E-mail to refurb@longacracing.com or call **1.800.423.3110** and we will advise of availability and shipping costs. If still available we will usually ship within 1-4 days. All UPS and USPS services are available. Please let us know when you need to receive the item and we will suggest the most economical shipping method. Standard shipping and insurance charges only, no handling or service fee.

Note: RBC orders are processed differently. Please allow 1 to 4 days extra to ship.
