

Longacre[®]

Memory Stopwatch QuickStart

See full instructions for more details if needed.

**Longacre Racing Products, Inc.**Monroe, Wa. www.longacracing.com

To begin push *MODE* button (right side below display)
until display below is shown - arrow over *STOP W.*

- To start timing push ***Start/Stop***. Lap times will be on top line. Total time run on bottom.
- To get individual consecutive laps push ***Lap/Split/Reset*** each lap.
- To stop timing push ***Start/Stop***. You can resume by pushing ***Start/Stop*** again - OR
- To stop timing and reset push ***Start/Stop***, then ***Lap/Split/Reset***. Lap count goes to 00.

To recall Memory push ***Recall***. Display will change. Use ***Start/Stop*** and ***Lap/Split/Reset*** to scroll up and down memories. Lap number is shown at Lap Count on display. Push ***Recall*** again to exit Memory. Reset erases all memories. Recall before Resetting.
